# ARUBA

Just steps from Aruba's white sand beaches and sheltered in a tropically landscaped garden, the Divi Village Golf and Beach Resort is convenient to all of Aruba's temptations but stands elegantly apart.

A flower-lined garden path winds behind the Divi Village to the Villas at Divi Village — a unique collection of private villas, each housing four deluxe suites, complete with winding staircases and rooftop whirlpool tubs.

Guests of the Divi Village enjoy onsite amenities including lighted tennis courts, a full-service activities coordinator, and car rental for

exploring Aruba; plus the offerings of a family of five Divi Aruba resorts. The Divi family offers nine restaurants, a full-service spa, fitness center, water sports, and more — only moments away! Complimentary transportation is provided to the Alhambra Casino and shopping bazaar.

New in 2004, the Divi Village opens *The Links at Divi Aruba* — a beautifully landscaped 9-hole golf course and golf training facility. The course will be surrounded by 22 luxury villas and offer an exclusive clubhouse with two gourmet restaurants and a water view lounge.

The Divi Village is centered on a large, sparkling freshwater pool, with views of Divi's private beach located directly across from the resort. One hundred sixty two spacious studios, one- and two-bedroom suites offer fully equipped kitchens and private balconies with tropical scenery.

Casual and gourmet dining are found poolside at the Seabreeze Café.
