

## A Message From Our President & COO

For over 50 years, our focus has been on serving our loyal guests, owners and members, as well as hiring, training and caring for our talented and professional staff. Together, both guest and staff have become family, and we've treated one another accordingly. It's something we take great pride in.

Over the upcoming weeks, as islands around the Caribbean start to reopen, we are preparing to do the same. Every staff member is committed to doing everything they can to provide a clean and healthy environment by following a long list of operating safety procedures necessary to mitigate the risk to our guests as well as themselves as laid out in our comprehensive [CLEAN CHECK](#) program.

At Divi Resorts, we want our guests to focus on what they have always enjoyed, making fantastic Caribbean vacation memories, relaxing with loved ones and cherishing every moment with friends and family.

When you're ready to travel, you can [book with confidence](#), because now more than ever, you can rely on us, THE Caribbean Experts to deliver that promise.

Thank you for your continued support during this challenging time. We look forward to welcoming you back to the Caribbean and serving you and your family.
